

Save up to \$15,000 on Your Down Payment!

Homebuyer Education Course Offers Path to Down Payment Assistance

Knowledge is key for the successful transition from renting to owning a home. Not only does Take Charge America's Homebuyer Education Course empower you with that knowledge – but it enables you to apply for Down Payment Assistance. You may be eligible for up to \$15,000 in grants to jump start your dreams of homeownership.

Join us for a workshop on the home buying process. We can help you:

- » **Assess the costs of homeownership**
- » **Review your budget and credit**
- » **Determine what you can afford to buy**
- » **Learn how to shop for the best loan**
- » **Understand lender guidelines**
- » **Know how to protect your investment**

Buying a home is a big deal. It's one of the largest purchasing decisions you'll make during your lifetime. Be prepared for the home buying process and start down the right path to homeownership today.
